

Seed Forum Global

Oslo Opera House, 12th June 2018

Innovation, Funding and Art – Combined

INVITATION TO INVESTORS

Seed Forum Global invites private investors, venture funds, investment companies and family offices to the Oslo Opera House.

This is an exciting opportunity to meet entrepreneurs building innovative and globally aspiring growth companies. There will be 111 pitches and an opportunity to meet with the companies in a separate meeting area. Seed Forum will provide a match making app, where you will be able to pre-screen companies and book meetings.

Each of the presenting companies will take part in a rigorous pitch training and selection process facilitated by Seed Forum experts.

A number of high level speakers from many countries will make this an unforgettable day.

Join Seed Forum's 15 years anniversary celebration until midnight with a number of awards and informal networking.
