

Seed Forum Global

Oslo Opera House, 12th June 2018

Innovation, Funding and Art – Combined

INVITATION TO ENTREPRENEURS

Seed Forum Global invites entrepreneurs building innovative and globally aspiring growth companies to pitch and matchmake with individual investors, venture funds, investment companies and family offices. You will also meet innovation organizers and innovation helpers, providing education and insights in tomorrow's trends and opportunities.

Each of the presenting companies will take part in a rigorous pitch training and selection process by Seed Forum experts.

A number of high level speakers from many countries will make this an unforgettable day.

Join Seed Forum's 15 years anniversary full-day celebration until mid-night with a number of awards and informal networking.
